Changing Status of the Active Match

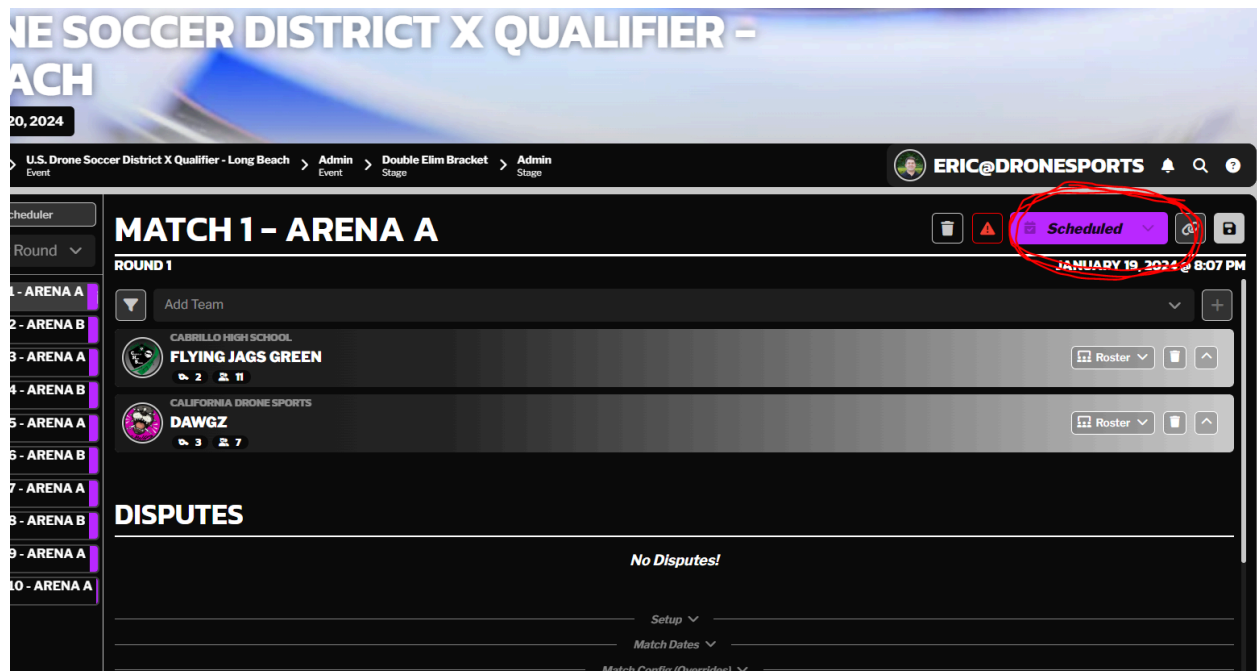

Navigate to the first/next match by selecting “view”

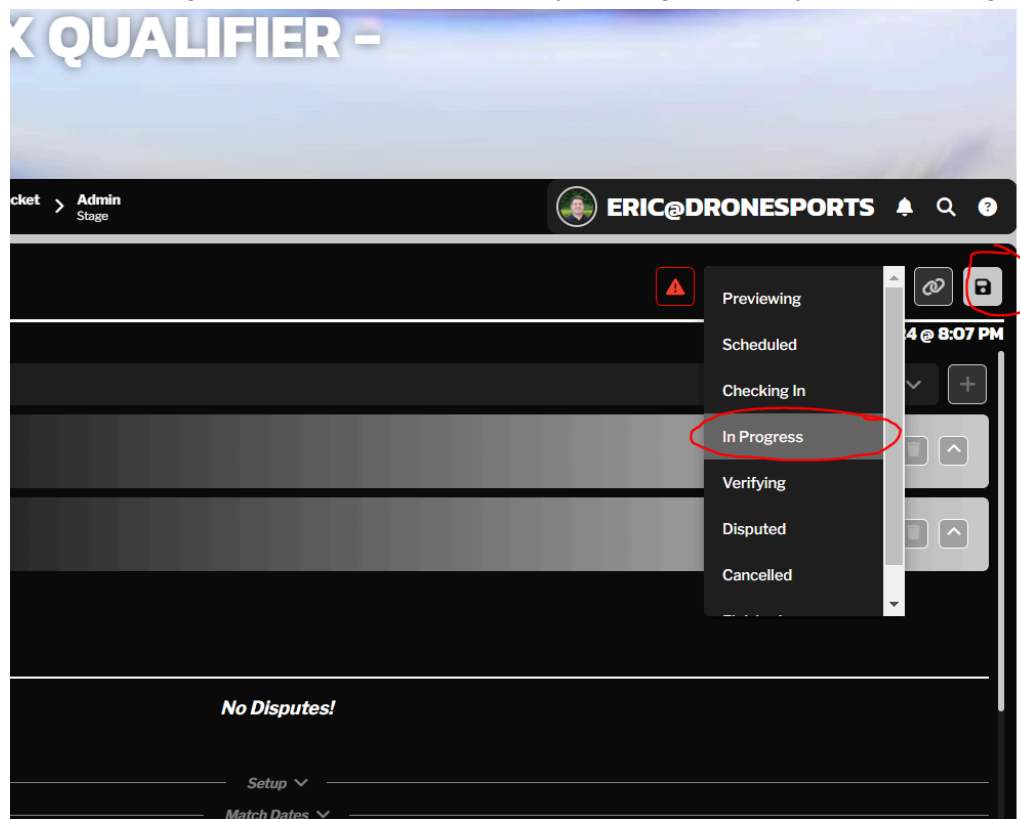

First check to make sure the match is “In Progress”. If so, then you click “Enter the Scores” and you can skip to the next step. Otherwise you will need to change the Match to “In Progress”.

After you click the gear symbol, you will see the screen below. On the right hand side, select the circled drop down button and change the status of the match to “In Progress”

Select “In Progress” and be sure to save by clicking the floppy disk on the right.

Once saved, return to the match to begin putting in the score. Return to the match by selecting the Double Elim Bracket at the top of the screen. Note the color of the match on the left will have changed now that it is "In Progress".

Scoring the Match

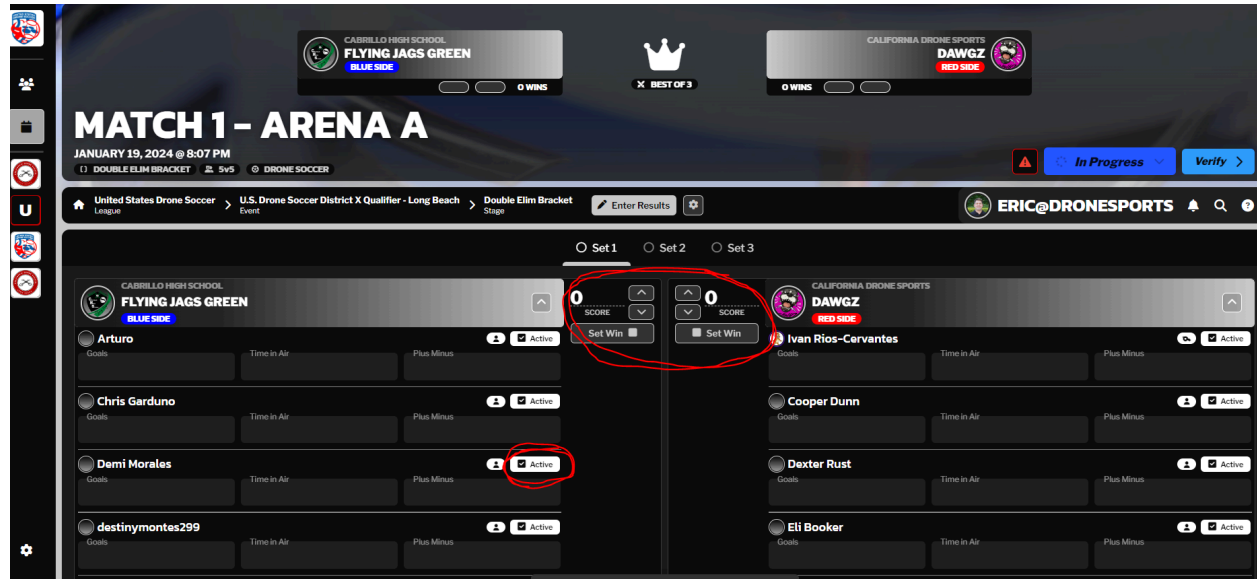

Click “View” to see the match now that it is in progress. If it does not say progress, see the previous section in this guide.

The screenshot displays the 'DOUBLE ELIM BRACKET' interface for the 'AEROSPACE EDUCATION WITH FULL-CONTACT GAMEPLAY' event. The interface is organized into rounds (ROUND 1 to ROUND 6) and arenas (ARENA A and ARENA B). Match 1 - ARENA A is currently 'IN PROGRESS' on January 19 at 20:07, featuring Flying Jags Green (Blue Side) and [CAX-143] Dawgz (Red Side). A red circle highlights the 'View' button for this match. Other matches are scheduled for January 20. The interface includes navigation tabs for Schedule, Rosters, and Stats, and a sidebar with icons for home, calendar, and team selection.

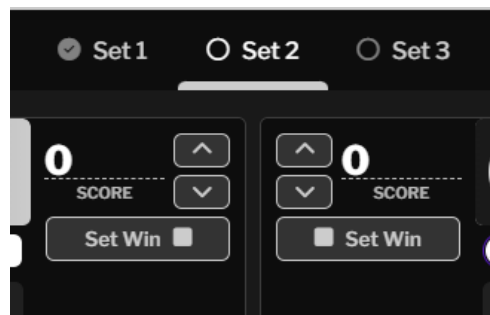

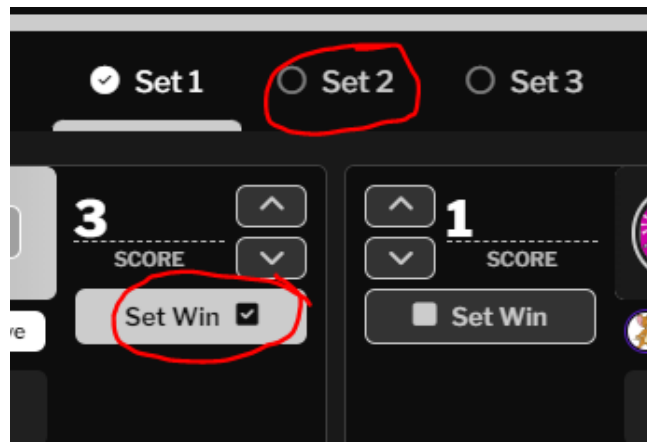

Select “Enter Results”

The screenshot shows the 'MATCH 1 - ARENA A' interface for the match between Flying Jags Green (Blue Side) and Dawgz (Red Side) on January 19, 2024, at 8:07 PM. The match is currently 'In Progress'. The interface displays the rosters for both teams. On the left, the Flying Jags Green roster includes Arturo, Chris Garduno, Dami Morales, destinymontes299, Enrique, Francisco c, Francisco Camba, Joshua Lucindo, and Richard Baca. On the right, the Dawgz roster includes Ivan Rios-Cervantes, Cooper Dunn, Dexter Rust, Eli Booker, Erick Buffington, Gavin Paragas, and Lauren Durand. A red circle highlights the 'Enter Results' button in the top navigation bar. The interface also shows the current score as 0-0 and the match is part of a 'Best of 3' series.

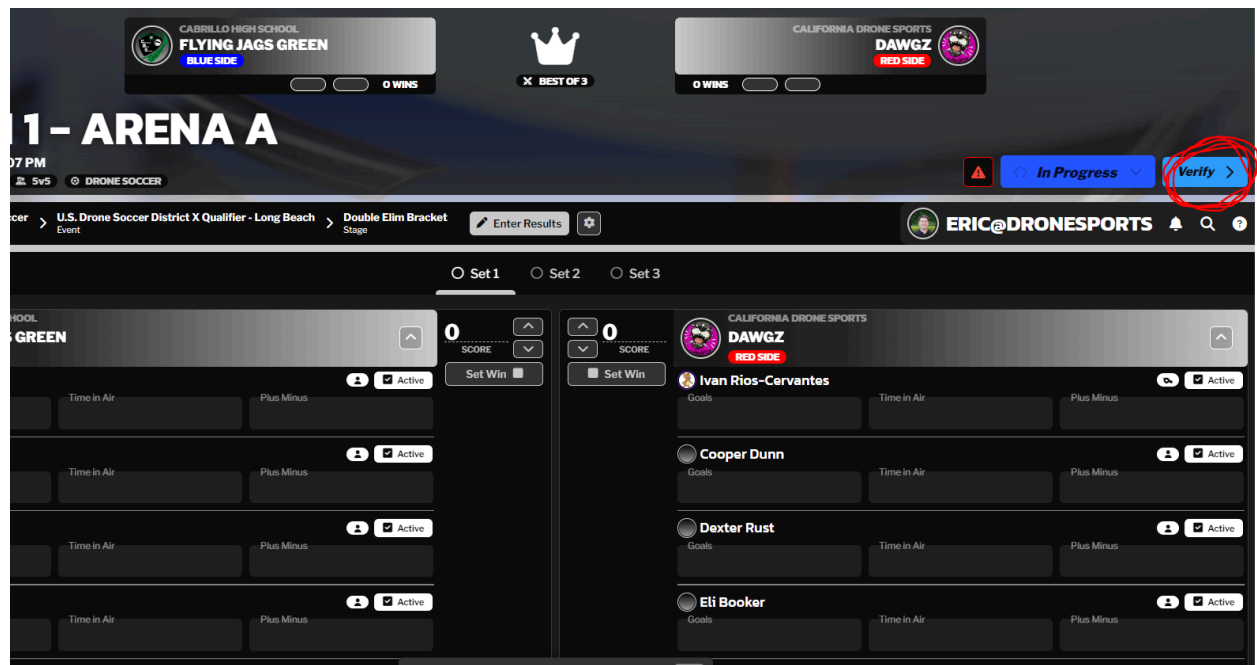

Your Match is now ready to keep score. Note the number of people on each team may exceed who is actually playing. It is good to have the right people playing because the match will be tracked under their profile and overall stats. If you would like to mark them as inactive for this round, just click the “Active” button to the right of their name. The player will drop to the bottom of the list. If you want to bring them back up, just click “inactive” button and the name will jump to the top of the list again.

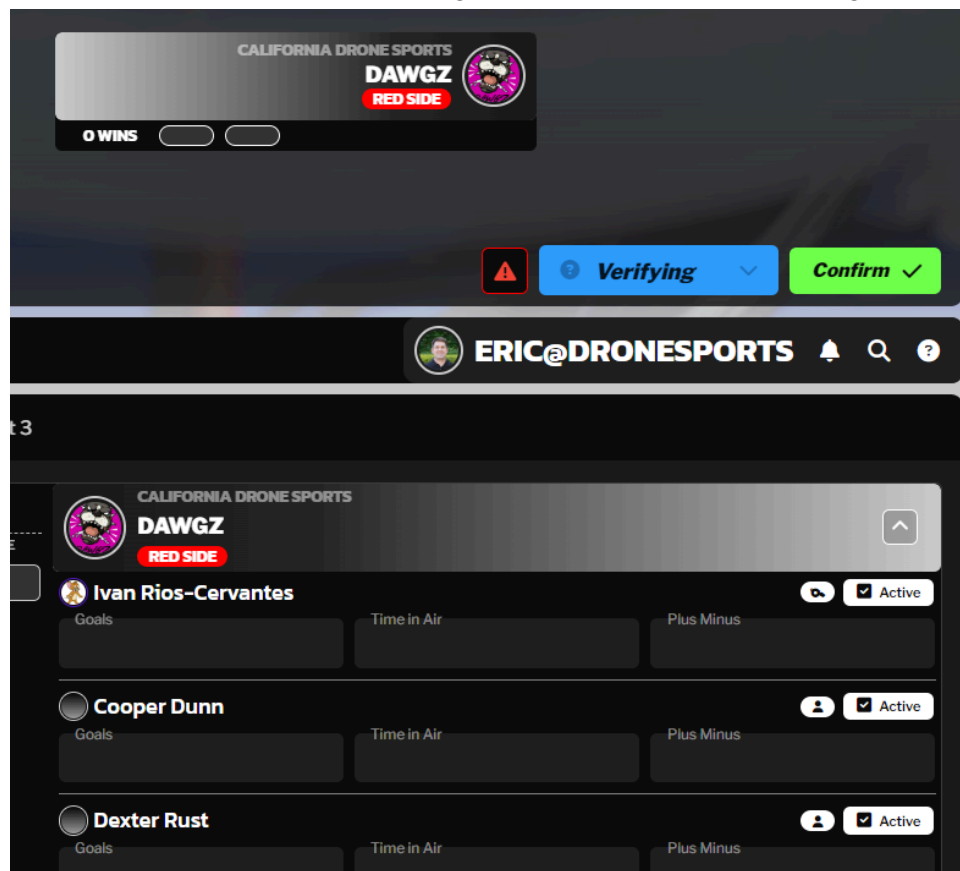

Use the arrow keys to mark scores or type in the numbers. Once the match is complete, checkmark the “Set Win” for the side that wins. Then click on the next Set

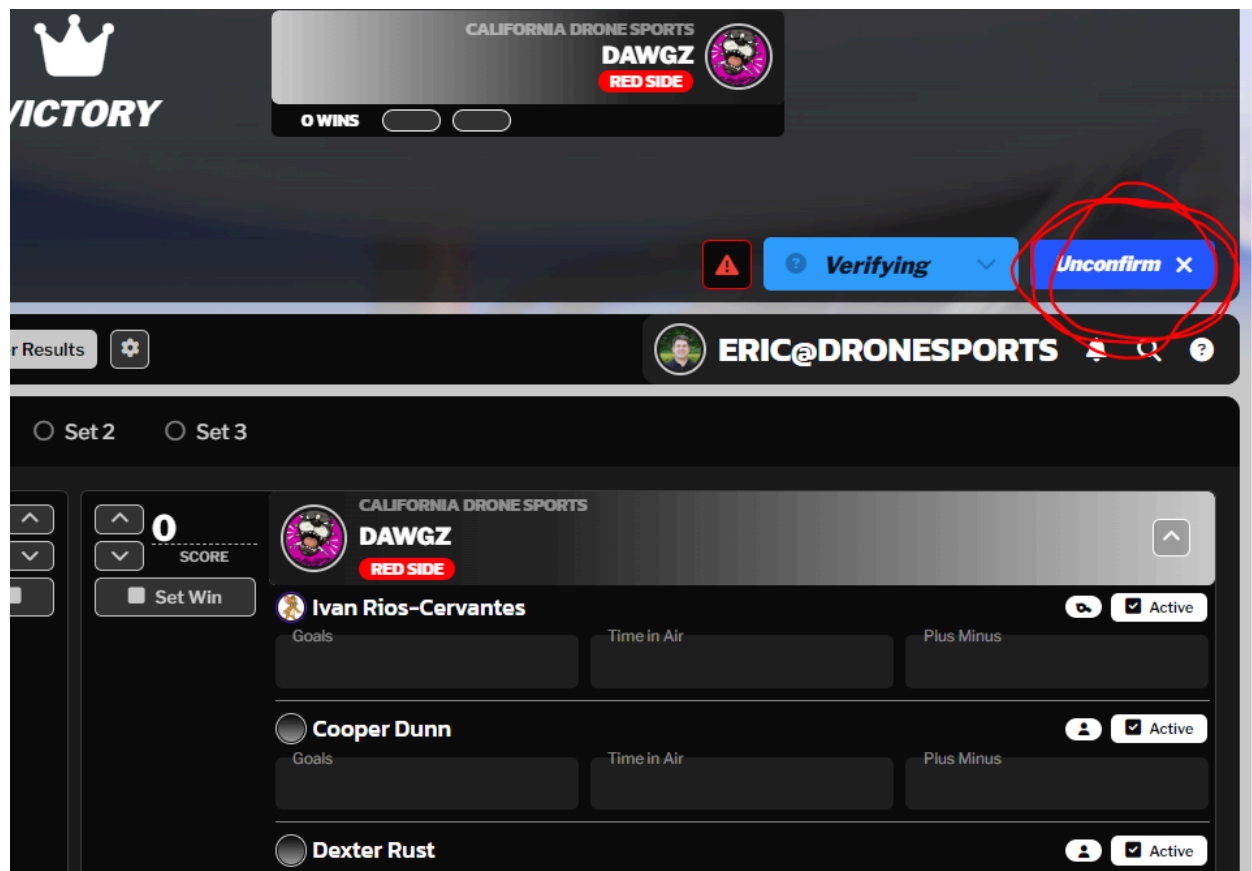

Once the match is complete. On the far right side select “Verify” to complete the match and log it in the tournament.

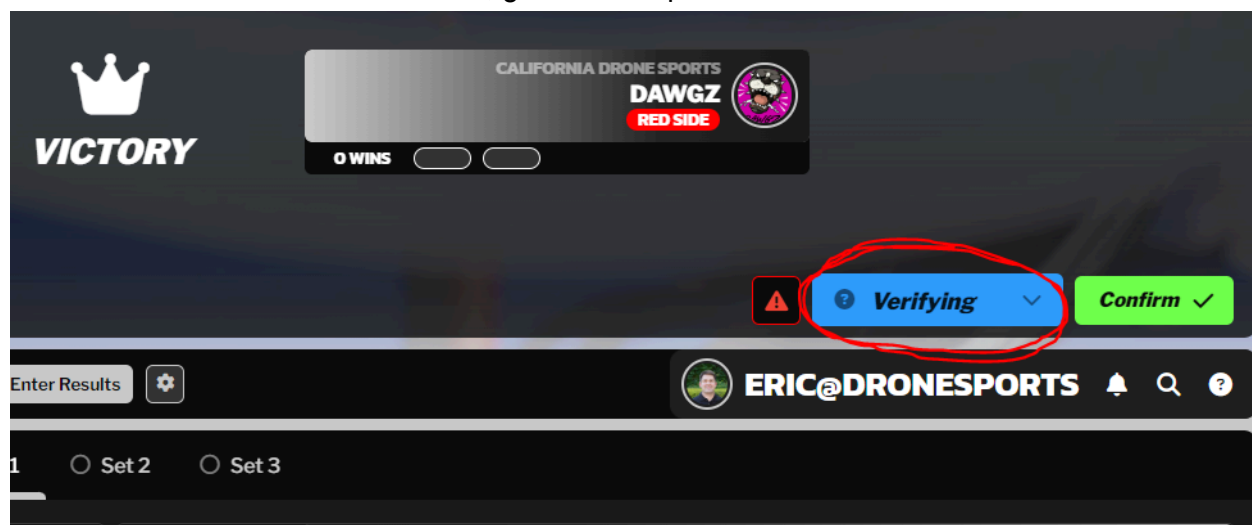

Click once and the button will turn green. Once verified, click the green “Confirm”

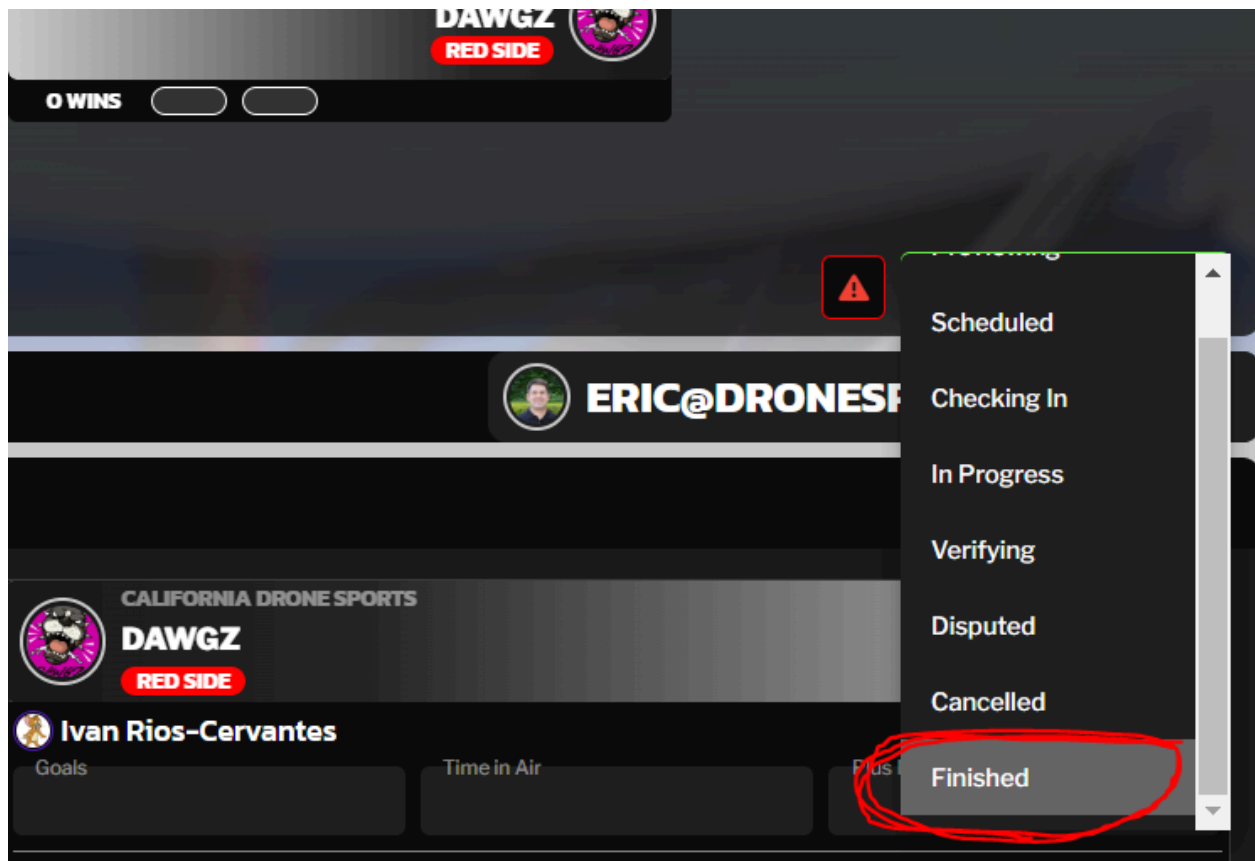

Once confirmed, the button will turn blue and will give you the opportunity to click and unconfirm if something needs to be changed. Now the winning team will advance in the bracket and you repeat the above process for the next round.

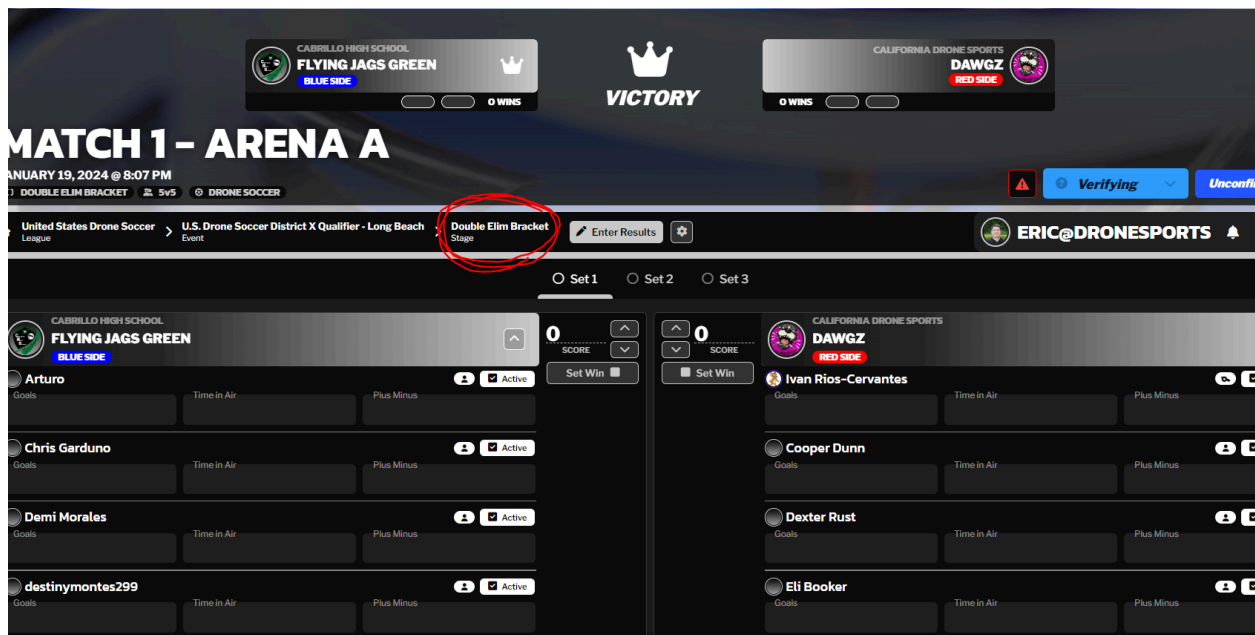

Now the match is scored and verified, go to the drop down menu.

Select “Finished”

Return to the main bracket by clicking the “Double Elim Bracket” selection

Now you will see that the “Match” you just completed will have the green “Finished” label and the winner has automatically moved to the next match.
